

## **Associate Job description**

### **Role Description**

This is a full-time, on-site role for a General Dentist located at our Vero Beach, FL office. Access the latest laboratory technology, top-tier dental and laboratory skills training, and enjoy a rewarding and fun culture with other dental and laboratory professionals. Together, we're taking dentistry to the next level!

### **Qualifications**

- Strong knowledge of general dentistry practices and techniques.
- Excellent diagnostic and clinical skills.
- Good communication skills and ability to explain complex medical/dental procedures to patients.
- Ability to work in a concierge environment where the patient comes first.
- Ability to work well in a team environment of dental & laboratory professionals.
- DMD or DDS degree from an accredited dental program.
- Current Florida dental license and malpractice insurance.
- Experience with dental implant placement and restoration is a plus.
- Experience with cosmetic dentistry is a plus.
- Experience with Invisalign, Clear Correct or other orthodontics is a plus.

### **Company Description**

Ocean Oaks Dental Group is a dental group located in Vero Beach, Florida. At Ocean Oaks Dental Group of Vero Beach, we provide a concierge patient environment where we have a full on-site dental lab with sophisticated milling, printing, stain/glaze and other cutting-edge technology to deliver custom cosmetic and restorative dentistry with superior fit and color matching.
